Author [Ben Onachila](#)

Description

“Onachila’s work pulls the reader through a gamut of emotions, carefully weaving vivid imagery that paints pictures that either elicit tears or laughter. I am particularly drawn to Onachila’s uncanny ability to present pieces as memories that evoke not only past sentiments, but unfold as relevant even today. Simultaneously, Onachila is effortlessly cunning in connecting the reader to the “human condition” using subtle humor, often ending with a little.”

Leslie P. Borhaug, multi-genre author
